

**TEAM EFFORT:** Ursuline Prep School's netball team went undefeated

## Home side triumph in Netball Rally after impressive show

THE Ursuline Prep School has hosted the Brentwood District Netball Rally.

With 12 teams participating from schools all over the area, it was a busy afternoon with teams playing in groups and winning through to the semis and eventually the final.

The Ursuline Prep team played brilliantly all afternoon, remaining undefeated in every

match and were presented with the trophy at the end of an action-packed event.

This success comes hot on the heels of the Ursuline Prep also winning the Small Schools District Swimming Gala, held at Brentwood School.

Again, the boys and girls were undefeated and were presented with trophies to mark their success.
