

FINAL DELIGHT:
The Ursuline team who reached the final at their own tournament

Ursuline's final flourish

IE Prep School hosted East Anglia Under 11 Netball last week. There were eight schools due to participate but, unfortunately, one had to withdraw at the last

moment of the tournament to progress. As a result, the Ursuline B team, consisting of children from Years 4 and 5, had to need to participate. They competed in two pools and threw up some exciting

at the end of the tournament. The weather, which had been reasonably dry all afternoon, turned for the worse and soon became very difficult to play in, with teams encountering heavy rain.

In the final, Littlegarth and Ursuline Prep played against Littlegarth, with Littlegarth eventually declared winners. In the consolation match, Ursuline Prep and Alleyn's Prep will now go forward to the finals.
