# Ursuline net place in national schools final

## Hosts among three teams to progress in regional battle

URSULINE Prep School has once again hosted the 15th Regional Netball Tournament for East Anglia. Kewton schools entered and played in two pools of six teams each as the hosts school had two teams taking part. In Pool One were Ursuline Prep A and B (A and B teams), Cherry Trees Prep, Sacred Heart School, Albyn Court and Heathcote School. Pool Two consisted of Littleport

School, Littleport School, St John's School, St Margaret's School, St Nicholas School and Stoke College. Each game was played for seven minutes one way so play was exceptionally fast-moving and every goal was hard earned. All the teams played well and the competition ended with Littleport, Ursuline Prep, St John's School and Albyn Court competing in the semi-final.

The Ursuline Prep A team, who had won all their games up to this point, played against Albyn Court and lost 5-2. Ursuline then took on St John's and won 9-5 before beating Littleport 4-1 in a tough match. The top three schools, Littleport, Albyn Court and Ursuline Prep, will now all go through to the national final, which will be held on Thursday, March 19, at Rugby School in Warwickshire.
